Your 2024 WOMZA club licence can be used at any WOMZA club event throughout the country.

Medical - competitors should be covered by their own medical aid/ hospital plan which covers them for participating in off road motorcycle racing. WOMZA does also offer personal accident insurance options which is optional.

Where a rider insists on participating without proper and adequate private medical cover (highly inadvisable), the rider accepts and acknowledges that:

- **that in the event of an injury, he/ she will be taken to the nearest government hospital.**

You must have a number on your bike which you have to fill in on your entry form. Scrutineering is “Self-scrutineering” – It is acceptable for your bikes not have a kick-start. The form has to be completed on the Race Control website when you enter. The onus is on you as the competitor to ensure that your motorcycle and equipment meet the requirements to pass scrutineering. False declaration of such will result in disqualification and further disciplinary action may be taken.
