

# BECOME A CSMX MEMBER

We at CSMX have made things easier, with a new online membership application. We have used the racecontrol online entering system for the last few years, and they now have set up "Become a Member" on our profile. You need to be a member of too score club championship points & to apply for a MSA competition licence

Attached below is a step by step guide to Becoming a CSMX Member.

Your Timing and Event management system, Race Control run by a dedicated team of timing professionals. We have over 30 years of combined experience in competing in motorsport events and developing management systems. We develop our own systems that bring a new dimension and simplicity to mass participation events.

With the development of the race control systems we were aiming to offer a "Race in a Box". Consequently we're extremely good at coming up with innovative solutions to nearly any challenge. Put simply "We Time Human Endeavour".
